Ben Sherman (301)713-3066 x178, Lead
Jana Goldman (301)713-2483 x181
Dan Parry (301)713-2370 x140

Exhibit Check in:

Baltimore Waterfront Festival

The exhibit is located in front of the Maryland Science Center in the Inner Harbor. The address for a google search is 601 Light Street, Baltimore, MD 21230. Please report to the NOAA tent approximately 15 minutes prior to your scheduled shift. Parking garages and methods of public transportation are listed in the venue specific section of this website.

Maryland Maritime Festival, Annapolis

The exhibit will be located in the City Dock area of downtown historic Annapolis. Please come directly to the tent located between Phillips Seafood Restaurant and the “Ego Alley” boat dock area. If you have difficulty finding the NOAA exhibit, please come to the Festival Checkin/Public Information office at #4 Dock Street. Although we don’t have an assigned space #, we are located near the NOAA Bay Hydrographer. Please report to the NOAA tent approximately 15 minutes prior to your scheduled shift. Parking will be at a premium! The best bet is to take the shuttle service from the Navy Stadium on Rowe Boulevard.
